

Special Invitation for Maine Superintendents

To: Maine Superintendents
From: ACTEM Board, President & Executive Director
Date: August 30, 2018

ACTEM is a non-profit educational association that has been in existence for over 30 years in Maine. Each year we hold an annual conference and feature inspiring, nationally known keynote speakers. One of the ACTEM 2018 keynotes will be Dr. Joe Sanfelippo, Superintendent of the Fall Creek School District in Fall Creek, WI. His district is small and similar to many in Maine. The Fall Creek School District was named an Innovative District by the International Center for Leadership in Education in 2016-17.

Joe has been featured in many state and national conferences and speaks about Telling Your School Story, Creating a Culture of Yes, and Personalized Professional Growth for Staff. ACTEM board members met Joe at a national conference and after hearing him, we all agreed that we needed to bring him to Maine. His talks are very informative and entertaining.

Joe also co-hosts the Hacking Leadership Podcast, and has co-authored the book *Hacking Leadership: 10 Ways Great Leaders Inspire Learning That Teachers, Students and Parents Love*. We have included a complimentary autographed copy of this book for you to enjoy in this mailing. **We hope it will inspire you to want to hear Joe in person.**
